Technical Data Sheet

Dry Wash Gloves

Cat.No. 214201-214211

Description

Dry Wash Gloves are soft bathing gloves designed to provide a rinse-free bathing for care recipients with impaired mobility and the need for assisted bathing due to their health condition.

Feature

The dry wash gloves are non-abrasive and tear-resistant; they can be used wet or dry.
The disposable soft dry gloves ensure impeccable hygiene and provide great comfort and safety during use.
The pocket shape design offers a firm grip and a better fit with the hand during use.

Dry Wash Gloves

Cat.No. 214201-214211

The dry paper used in the disposable washing mitts is bleach-free.
A staggered opening for easy access.
Our dry gloves can be supplied in custom sizes.
